3. I would like to thank United States District Court Southern District California CM/ECF Training court clerks for their classes on CM/ECF electronic filing. Their help in forming the format for ENE Report 1, ENE Report 2, and ENE Report 3 was greatly appreciated. Review of appropriateness of filing documents before Early Neutral Evaluation as required background information is supported in the local rules of the court. There was some initial trouble merging the Supreme Court of the United States required Font with the 28-line format. I declare that all statements I made in this "Pure Bill of Equitable Discovery 48 C.F.R 1.602-1 Request for Documents Response to Apparent Show Cause Order" are true, accurate, and correct to the best of my knowledge.
